a greeting from our pastor

Rob Zinn, Pastor

Welcome to Bible study at Immanuel! We are excited that you have chosen to worship with us. We encourage you to find a class where you can study God's Word and fellowship with a group of believers with whom you can grow and minister.

I believe Bible study classes are one of the most important ministries of our church. It not only gives you an in-depth foundation in Scripture, but, more importantly, it teaches you how to minister to others and gives you a support system of people who will pray for and minister to your personal needs. Bible study classes provide a circle of friends in your own age group.

Visit as many classes as you like until you find one that's especially comfortable for you. I invite you to become an active part of a Bible study class and our church family here at Immanuel. God bless those who are faithful.
