Join with us to read the book and discuss this important question. The class members will need to obtain their own copy of the book by Dr. Geisler.

This class will cover the basics of several key Christian doctrines. It's a good class for any person wishing to learn more about doctrine and beliefs and for those considering teaching and leadership at Immanuel.

#### Seamless (Women's Study) – April Mascaro | A207

This study focuses on how the whole Bible is connected as one beautiful, seamless thread. Class members need to obtain their own copy of the book by Angie Smith.
